A report summarizing the assessment is to be submitted to the Director of the Department of Administrative Services (DAS) by November 7, 2007. Based on the assessment, the Directors are required to develop a telecommuting policy, a timeline for implementation of the policy, and plans to expand the number of telecommuting employees. Directors are required to transfer some employees to telecommuter status by January 1, 2008. Requires an annual report, beginning January 1, 2009, to the Director of the DAS and the General Assembly that includes the number of telecommuting employees, cost savings achieved, and plans for continued transfer of

25 30 and cost savings to telecommuting employees. A report
25 31 summarizing the assessment shall be submitted to the director
25 32 of the department of administrative services, and the members
25 33 of the general assembly, by November 1, 2007.
25 34 2. Based on the assessment conducted pursuant to
25 35 subsection 1, the director shall develop a telecommuter
26 1 employment policy for the department or agency and a timeline
26 2 for initial policy implementation and plans for expanding the
26 3 number of telecommuting employees. Specific office-based
26 4 workforce reduction percentages shall be left to the
26 5 discretion of the director, but the director shall implement a
26 6 policy transferring some number of office-based employees to
26 7 telecommuter status by January 1, 2008. The director shall
26 8 report to the director of the department of administrative
26 9 services and the members of the general assembly on an annual
26 10 basis beginning January 1, 2009, the number of telecommuting
26 11 employees, cost savings achieved by the department or agency,
26 12 and plans for continued transfer of office-based employees to
26 13 telecommuter status.
